EXPERIENCE

Senior Product Manager @ Google

Jan 2021 - Present | Mountain View, CA

- Led the end-to-end product roadmap for a core AI infrastructure project, resulting in a **25% increase in processing efficiency** for enterprise clients.
- Orchestrated the launch of a new predictive analytics suite, achieving **\$10M in incremental revenue** within the first 12 months.
- Managed a cross-functional team of 15 designers and engineers, fostering an agile environment that reduced release cycles from 6 weeks to 2 weeks.

Product Manager @ Stripe

Jun 2018 - Dec 2020 | San Francisco, CA

- Streamlined global payout workflows for 1M+ merchants, reducing transaction latency by **40%** and improving user satisfaction scores by 15 points.
- Designed and implemented a multi-region compliance engine, ensuring 100% adherence to evolving international financial regulations across 50+ markets.
- Authored comprehensive PRDs and led stakeholder alignment sessions for high-stakes platform migrations, ensuring zero downtime for mission-critical services.

Associate Product Manager @ Uber

May 2016 - May 2018 | San Francisco, CA

- Optimized driver onboarding experience through A/B testing and funnel analysis, increasing driver conversion rates by **12%** in Tier 1 cities.
- Partnered with UXR teams to identify and resolve critical friction points in the rider app, leading to a **20% reduction in support tickets** related to booking errors.

Product Management Intern @ Airbnb

May 2015 - Aug 2015 | San Francisco, CA

- Conducted extensive market research and competitive analysis to inform the 2016 guest experience roadmap.
- Prototyped and validated a new localized search feature for the APAC market, which was later fully implemented.

PROJECTS

OpenSource AI Toolkit

- Developed a Python-based library for rapid prototyping of machine learning models, currently used by **5,000+ developers** globally.

Community Health Dashboard

- Built a real-time data visualization platform for local non-profits to track and report public health trends using D3.js and SQL.

EDUCATION

Stanford University

2014 - 2016

M.S. in Computer Science

University of California, Berkeley

2010 - 2014

B.S. in Electrical Engineering

SKILLS & TOOLS

Product Strategy

Market Analysis, Competitive Intelligence, PRDs, Roadmap Planning, Go-to-Market (GTM), User Persona Development

Data & Analytics

SQL, Python (Pandas/NumPy), Tableau, Looker, Google Analytics, A/B Testing, Funnel Optimization

Design & Technical

Figma, Sketch, Rapid Prototyping, Wireframing, C++, Java, AWS, Docker, Kubernetes

CERTIFICATIONS

Certified Product Manager (CPM)

AIPMM | 2022

Advanced Data Science Specialization

IBM / Coursera | 2021

Professional Project Manager (PMP)

PMI | 2020

Human-Computer Interaction

Interaction Design Foundation | 2019

LANGUAGES

English (Native), Mandarin (Fluent), Spanish (Conversational)
